## SHOP THE MIDWAY & FLEA MARKET

Visit our partners on the Manufacturers Midway and shop the huge flea market for anything and everything automotive! If it's automotive or automotive-related, you should be able to find it. While vendor merchandise is required to be 80% automotive, that leaves a portion of our 80+ acres for you to find rare and unique automotive collectibles. You can find vendors listed alphabetically and by product in this event guide and by using the free Carlisle Events app.

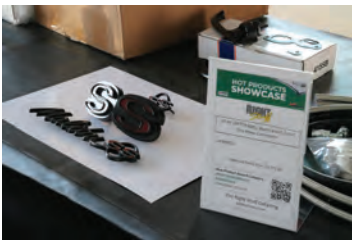

## FIND A VEHICLE IN THE CAR CORRAL

From collectible classics to daily drivers, you can find all conditions of vehicles for sale in the Car Corral. Title transfer services are available in the notary office in the pavilion.

## VISIT OUR WOMEN'S OASIS VENDORS

Visit our Women's Oasis vendors and artisans selling handmade crafts, jewelry and accessories, kitchen must-haves, unique clothing, treats to tempt you, scents to relax you, beauty products and more in Building T. Visit Avon (BT 14), Barefoot Books (BT 11), Cindy Goods and Crafts (BT 32), Rarity Nails (BT 13), Scentsy (BT 12), The Pampered Chef (BT 10), and Uglie Acres (BT 9).

## VOTE ON THE ARMO HOT PRODUCTS SHOWCASE

ARMO, the Automotive Restoration Market Organization, is the SEMA council whose mission is to preserve and promote the automotive restoration industry and hobby. This display features the "hottest" and most sought-after restoration products on the market. Many of these products just debuted at the SEMA show in November. This is your first chance to check them out in the tent in front of the stage.

## MEET OUR AACA FRIENDS AND SEE THEIR DISPLAY

Visit the Antique Automobile Club of America (AACA) at the stage where you can learn more about the benefits of membership and join the club. They have a great display of cars that will rotate throughout the weekend.

## ENGINE TEAR-DOWN/REBUILD EXHIBITION

Twice on Saturday watch as teams from local York County School of Technology tear down and rebuild a Chevy small block engine. They are preparing for the Hot Rodders of Tomorrow regional championships in hopes of advancing to the national finals. Watch as a dry engine is torn down to its block, then rebuilt. When done properly, top teams are completing this entire task in 18-25 minutes!

Carlisle Auctions expects 400+ vehicles to cross the auction block Thursday and Friday, beginning each day at 12 p.m., with an all-truck hour on Thursday at 4 p.m. It's held at the Carlisle Expo Center, walkable from Gate 3 or you may ride the free shuttle. Admission is free with a Spring Carlisle ticket stub. To bid on vehicles, you must meet Carlisle Auctions' requirements and a fee applies. You may bid in person, online (proxibid.com) or by phone. Details available at the Auction Office at the Carlisle Expo Center. The run list is available online at CarlisleAuctions.com and you may ask for a printed copy at Guest Services or at the Carlisle Expo Center. Purchases of vehicles not sold on the block may be negotiated in the Still For Sale Lot. The auction is broadcast live on YouTube (search "Carlisle Auctions") and there is a free app available for iPhones.

## PENNSYLVANIA TURNPIKE

The Pennsylvania Turnpike Commission, an independent transportation agency that operates in the Commonwealth of Pennsylvania, opened Oct. 1, 1940. It celebrates more than 80 years of operations, and over those eight decades it has received nationwide acclaim as an engineering marvel.

The Turnpike established the national standard for superhighway design and construction more than 16 years before the first U.S. interstate highway. When America's first super-highway opened in 1940, the Turnpike ran 160 miles between Irwin, PA and Carlisle, PA. Today, the PA Turnpike stretches more than 550 miles, triple its original length.

It continues its legacy of innovation in the ground-transportation industry with a modern-day mission to operate a safe, reliable, customer-valued toll road system that supports national mobility and commerce. Recent advances include designing and building award-winning facilities and structures; investing in wider and smoother roadways; and providing traveler benefits such as All-Electronic Tolling, innovative smartphone apps, and a dedicated 24/7 customer safety and response team.

## ROCKAUTO

RockAuto.com is an auto parts retailer founded in 1999 by automotive engineers with two goals: Liberate information hidden behind the auto parts store counter (by listing all available parts, not just what one store stocks or one counter-person knows), and make auto parts affordable so vehicles of all ages can be kept reliable and fun to drive.

Today, RockAuto is a leader in the automotive parts industry shipping thousands of parts, from hundreds of manufacturers, to millions of customers all over the world. The RockAuto catalog is updated daily with parts ranging from brakes and filters for your daily driver, to distributor caps and repair manuals for your classic, to traditionally "dealer only" parts like OE style wheels and electronic components, to collision parts like tail lamps and grilles.

Along with a huge selection, RockAuto offers reliably low prices on the respected brands you know and trust, shipping is fast, and the uniquely helpful catalog is easy to navigate with detailed part information so you can purchase the auto parts you need with confidence.

Visit [RockAuto.com](http://RockAuto.com) to order auto parts for your classic and daily driver 24 hours a day, 7 days a week and have them conveniently delivered to your door.

# 2022 HIGHLIGHTS

By Mike Garland

In January, two indoor events kicked off our season with Auto Mania (January 14-16) at the Allentown Fairgrounds in Allentown, PA, and the Winter Carlisle Auto Expo (January 28-29) at the Carlisle Expo Center in Carlisle, PA. In February, Carlisle Auctions got wheeling and dealing with an auction in Florida.

We welcome nearly 100,000 guests to Spring Carlisle presented by eBay Motors to buy, sell or trade all things automotive and to visit the collector car auction at the Carlisle Expo Center.

In just a few weeks, the Carlisle Import & Performance Nationals (May 13-14) takes center stage. IPN is one of the most unique events in the country, as it spotlights over 2,000 cars from around the world. From popular American Muscle to obscure Asian and European imports, guests are guaranteed to see something they have never seen before. Along with the rare and unique, there are a few special displays and activities planned. See the 30-year tribute to the Subaru Impreza, as well as Germany's most popular ride, the BMW. Many car clubs meet up at the show.

Just after Memorial Day, THE Ford show of shows happens, the Carlisle Ford Nationals presented by Meguiars (June 3-5). This event hosts Ford lovers from across the country, and more than 3,200 vehicles on the National Parts Depot Showfield. While there is no shortage of cars and people, another element of the fun is the staff from Ford Performance. Top-level team members roll in from Michigan to showcase their new vehicles. The Carlisle Ford Nationals also celebrates the history of the brand with special displays and guests. Planned displays for 2022

SEE THE UNUSUAL AT THE IMPORT & PERFORMANCE NATIONALS

include a 60th Anniversary of Shelby American, a showcase of SSP Mustangs (police cars), and even a Lightweight reunion. Finally, the cars hit the streets of downtown Carlisle on Saturday night for the annual Ford Parade and Street Party.

Two weeks later, the Carlisle GM Nationals (June 24-25) spotlights over 100 years of history on the National Parts Depot Showfield with the 3rd Generation Camaro/Pontiac Firebird as part of a 40th-anniversary display, a celebration of 60 years of the Chevy Nova/Chevy II, and 40 years of the Chevy S-10 truck. Corvettes for Chip returns as a show within the show with all classes for each generation of Corvette and supports the Chip Miller Amyloidosis Foundation.

Further into summer, the Carlisle Chrysler Nationals (July 15-17) hosts an annual Mopar family reunion. This tight-knit group cruises to Carlisle following a record-setting turnout in 2021. The automotive flea market is the largest of its type and the Showfield is parked with nearly 3,000 vehicles, including a display dedicated to nearly 50 original/survivor rides. Additional displays include the 50th Anniversary of 1972 Mopars,

a 25th gathering of the Prowler, a Mopar Collectibles display, a re-do of the 1970 Charger 50th that deserved better in 2020, plus a display focused on family. The family display is new and has the potential to tell stories about what role vehicles have played in families' relationships.

Running August 5-7, the Carlisle Truck Nationals presented by A&A Auto Stores welcomes fans of trucks of all shapes, sizes, styles, and eras; plus monster trucks, custom vans, big rigs, heavy equipment, and even tractors. On-site installs are a big part of the event as the title sponsor, A&A Auto Stores, manages the upgrades for exhausts, wheels, tires, and more. There are also a handful of planned displays, including part two of the Chevy S10 anniversary, the Low Show, Vanarama, and the Big Rig Show and Shine.

On August 25-27 the world's largest all-Corvette show celebrates its 40th Anniversary and has the unique distinction of being the first specialty car show ever launched at Carlisle (1982). Corvettes at Carlisle welcomes back Team Chevrolet and their always-popular display tent and walk-arounds, seminars by Paul Koerner and The Corvette Mechanic team, and special

displays. The displays include the 50th anniversary of 1972 Corvettes, the NCRS Gallery, and a 35th anniversary of Callaway Corvettes. For the first time in Corvette circles we know of, multiple generations of Pratt/Miller racing Corvettes will come together to anchor the Chip's Choice display. The show wraps up with the Downtown Carlisle Corvette Parade and Street party on Saturday evening.

Lastly for Carlisle in 2022 is Fall Carlisle (September 28-October 2). The event is much like Spring Carlisle, offering cars, parts, merchandise, collectibles, and more for sale as well as a collector car auction at the Carlisle Expo Center. Enthusiasts and vendors come together to celebrate tradition, the car culture, and an unmatched camaraderie that only those who are part of the experience can truly appreciate. Fall Carlisle 2022 includes the AACA Car Club with a display of classic cars, trucks, and motorcycles, while they recruit new club members and promote their event in Hershey just days after Fall Carlisle concludes. Then in November Carlisle Auctions will be in Florida again.

The cars and trucks at Carlisle don't just show... they go. Beginning with Import & Performance in May and concluding with Corvettes at Carlisle in August, there will be parades, drifting, autocross, thrill rides, rolling exhaust competitions, smoke billowing donuts, and more. In fact, certain shows go even further with low car limbo, low truck limbo, and the Real Street Shootout, testing drivers' skills against the clock on our Carlisle Fairgrounds autocross track. In most cases, Showfield registration is required to participate in these activities, but specific details are available via the event's specific web page.
